Next due: _____ Date: _____ Visit / care / product: _____

Next due: _____ Date: _____ Visit / care / product: _____

Next due: _____ Date: _____ Visit / care / product: _____

Next due: _____ Date: _____ Visit / care / product: _____

At-home wellness notes

■ Appetite and water intake seem typical

■ Stool and bathroom habits monitored

■ Energy, breathing, and behavior observed

■ Skin, ears, eyes, coat, and teeth checked as appropriate

■ Questions or changes to discuss with the veterinarian

Notes: _____

Important

Urgent: This tracker is for recordkeeping, not diagnosis. Trouble breathing, collapse, seizures, suspected toxin ingestion, or severe bleeding require urgent veterinary care.
